

CAN'T DO THE WORK

It's too much to try to work every day against a constant, dull backache, or sudden darting pain in the small of the back. Be rid of it. Try Doan's Kidney Pills. Your neighbors recommend them.

Mrs. N. M. Nelson, 20 Merchant street, Barre, says: "A severe attack of the grip left my kidneys in a weakened condition. The slightest housework tired me, and after I was on my feet for hours, sharp pains across my back compelled me to stop and rest. Other complications came on and I had trouble with my kidneys. I paid out over one hundred dollars for doctors' bills and other medicines but got no relief. I became discouraged until someone advised me to try Doan's Kidney Pills. They stopped the trouble in a short time and rid me of the dangerous attack." (Statement given November 10, 1905.)

OVER SIX YEARS LATER, Mrs. Nelson said: "I still use Doan's Kidney Pills now and then and find them as excellent as when I first recommended them."

A pre-Memorial day program was carried out Tuesday at 2:15 p. m. at the high school assembly hall. A good-sized audience was present, considering the heavy downpour. All the schools in town participated in the following program:

Mrs. W. A. Remele directed the music and Miss Ruth B. Jones and Marion Bisbee were pianists. The program: "Star Spangled Banner," all schools; recitation, "Makers of the Flag," Elvin Graves, junior high school; flag drill, village school, grades 4, 5, 6; "Song of the Flag," junior high school; recitation, "Memorial Day," east school; song, "Columbia, the Gem of the Ocean," all schools. This was most effective, with Old Glory brought in during the last verse and three cheers given to "the army and navy forever."

Recitation, "A Memorial Day Vision," Alice Bisbee, junior high school; salute to flag, "Your Flag and My Flag," south schools; song, "My Own America," village primary and grammar grades; drill, "We March Like Soldiers," village grades 1, 2, 3, 4, 5, 6; "Cover Them Over," grades 4, 5, 6; "Battle Hymn of the Republic," junior high school; dialogue, "Patriots," north school; address by veteran, given by E. A. Fiske of Ainsworth post, No. 36, G. A. R., who gave a thrilling and interesting account of the part the 12th Vermont regiment played in the Civil war and in the battle of Gettysburg.

Capt. H. N. Bushnell and Comrade A. E. Meheuron were also present. The program was closed by the audience and schools joining in "America."

Miss L. Jean Bisbee entertained 19 of her pupils Thursday evening at Camp Rest View.

A FRIEND'S ADVICE

Woman Saved From a Serious Surgical Operation.

Louisville, Ky.—"For four years I suffered from female troubles, headaches, and nervousness. I could not sleep, had no appetite and it hurt me to walk. If I tried to do any work, I would have to lie down before it was finished. The doctors said I would have to be operated on and I simply broke down. A friend advised me to try Lydia E. Pinkham's Vegetable Compound, and the result is I feel like a new woman. I am well and strong, do all my own house work and have an eight pound baby girl. I know Lydia E. Pinkham's Vegetable Compound saved me from an operation which every woman dreads."—Mrs. Nellie Fisher, 1521 Christy Ave., Louisville, Ky.

Everyone naturally dreads the surgeon's knife. Sometimes nothing else will do, but many times Lydia E. Pinkham's Vegetable Compound has saved the patient and made an operation unnecessary. If you have any symptom about which you would like to know, write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for helpful advice given free.

Memorial day was favored with the finest weather of the season. During the forenoon veterans were carried in automobiles to Cherry Hill and Fairview cemeteries and the graves of their deceased comrades were visited and decorated. At noon the members of the post and relief corps lined up across Main street near the Bethel inn and with bared heads saluted the large flag which hung over the street. Dinner was served at the Grand Army hall by members of the corps. At 2 o'clock the public exercises at the town hall were well attended. Senator A. Lee Cady presided, the music was by Moody's orchestra, the public school children had several songs and recitations, Richard Morarty read Gen. Legrain's order and James Davis read President Lincoln's address at Gettysburg. Rev. W. C. Harvey officiated as chaplain. A brief play, "Grandpa's Memorial Day," was enjoyed. Prin. H. W. Haskins gave the address, which was delivered in his well known pleasing style and was full of lessons drawn from current and historic events. It was a strong plea for an earnest attitude toward the training of young people for citizenship.

Senator Redfield Proctor will address a Red Cross membership campaign meeting at the town hall to-morrow evening. All members of the committee are requested to report at headquarters before that time in order that the result of the canvass to date may be made at that meeting.

A baseball game for the benefit of the local Red Cross between the Whitcomb high school and Bethel town teams yesterday afternoon was won by the former, 9 to 1, with proceeds of about \$20. The schoolboys played their best fielding game of the season and outclassed their opponents, although many individual good plays were made by the old-timers, including E. C. McIntyre, C. S. Putnam, R. P. Shaw and G. E. Kimball. Williamson's pitching was a puzzle, although a few good hits were made by the town team. Barrow was in the box for the veterans and struck out several of the big batsmen of the school team. A double play by Newton, Wilson and Davis in the fifth inning was the fielding feature of the game.

Flag Saluted Joyously as the Sun Came Out.

On Wednesday forenoon at 10 o'clock the Green Mountain band came out and halted in depot square for the veterans, associate members and Relief corps ladies, where they were soon joined by Prin. E. G. Ham, followed by a large delegation of children from the grades, and the procession was formed and the line of march taken for Southview cemetery. On their arrival there, Commander F. H. Ketchum conducted the impressive ceremony of memorial, the band playing patriotic airs, and the several officers of the post officiating. The ceremony being concluded, march was taken to a point near the urn in a different location in the cemetery, where Mrs. Goodwin, president of the Woman's Relief corps, conducted their service, with the assistance of her efficient corps of officers, the members joining with the band in singing several selections. This also was very impressive, and at the conclusion a line of march was re-formed and taken to depot square, where halt was called, and at noon the flag, which has been purchased by the brotherhood, was raised amid the playing of the band, blowing of whistles, ringing of church bells, and other expressions by the crowd of people assembled. The dinner was served at the G. A. R. rooms by the Woman's Relief corps, after which the exercises proper were held in Music hall, consisting of an address and special music by the band and others. The sun shone as the flag went up, much to the gratification of all present.

Mrs. D. C. Wilnot of Barre was in town over Memorial day, the guest of her parents, Mr. and Mrs. B. G. Goodwin. Among other guests in town were Eugene Mazzolini, who has been in New York for several weeks, and his brother, Antonio Mazzolini, and Dwight Adams, who has recently been assigned to West Point, and has been accepted.

The entertainment given at DuBois & Gay hall on Tuesday evening for the benefit of the Baptist church was largely attended, but the net proceeds are not yet made known.

The following was the order: Roll call, to which the members responded with quotations upon "Mother"; piano solo, "Nocturne" (Chopin); Miss Beatrice Pinney; reading, "Little Known Mothers of Much Known Great Men"; Mrs. H. A. Leonard; violin solo, "Old Refrain" (Kreisler); Wayne Hedges; song, "Hush Me to Dreams"; Miss Lucile Grant, with violin obligato; piano solo, Reverie, "Spring Idyll" (Stearns); Miss Edith Marcotti; reading, "The Old Arm Chair" and a "Mother's Love"; Miss Lucile DeReynolds; piano duet, Misses Annie Bell and Elaine Bass; violin solo, Nocturne" (Chopin); Mrs. Hedges; Mrs. L. A. Brigham was the accompanist, and the entire program was of a high order and interesting to all present.

"I am running a Front Door Business"

This sign I once saw would never hang over any Diamond Shop.

DRIVE UP TO THE FRONT DOOR WITH YOUR ORDERS, BUT GO AROUND TO THE BACK DOOR WITH YOUR TROUBLES

Orders and troubles alike, all come in the front way to my store—and get the same courteous attention.

But the notable fact in selling Diamonds is that there have been mighty few kicks.

I thought you would like to know that.

Fact is, no matter how particular you are about the kind of tires on your car, I am far more particular about the kind of tires I sell.

Diamonds had to prove themselves to me before I'd trust my business reputation to them.

So, in answering my rigid requirements, and your big question, "how far will they go?" Diamonds are right to the front with an answer of "5000 miles usually," and frequently better than that.

We can put your size on your car as soon as you drive up to our front door.
